PERSONAL STATEMENT

Hi, my name is iqra, I am hard working, reliable, and very well presented with very high standards of personal appearance and also hygiene. I bring politeness and professionalism to the work area and my outgoing approach to patrons has helped develop higher customer satisfaction rates and a quality first impression which is essential for positive word of mouth. I propose a high level of confidence and combine it with my active listening skills and dedication to complete tasks at a satisfactory level. Handling and resolving customer needs and issues is one of my qualities that i possess. I am an easy-going person with a bright personality. I can push myself through adversity and bring the best results to anything I face I have a strong mentality. Working with children is my strongest strength. My communication skills are excellent, I can solve problems with customers in a positive manner. I make sure families leave in a positive mood with a smile on their face. I have worked in retail. My favourite part in retail is engaging with the customers. I make sure they are highly satisfied and have the best customer service as possible. I have shown leadership through taking some control of Mardin supermarket. I handle marketing and the shop. I love being behind tills making sure customers are left with a smile on their faces.
