Personal Profile

I have recently completed my Law LLB(Hons) degree at Edge Hill University, and I am eager to gain the work experience relevant to furthering my career in becoming a solicitor. I am looking for a firm that will give me the opportunity to further develop my skills learned at university and learn new skills that are needed for my desired career. I am hoping that your firm is willing to consider me for the role and give me a chance to continue my journey.

EDUCATION

Edge Hill University

2021-2024

Law LLB (Hons)

Classification: Upper Second-Class Honours

During the first year of my degree I completed a lawyer skills module, in this module I was given a case to argue in a moot and had to create a trial bundle to use and refer to when arguing my point.

In my second year I then completed an advanced lawyer skills module, in which I was given a case of a car accident and had to file documents on behalf of one of the parties. From this module I learnt relevant skills of client interviewing and drafting legal documents (schedule of loss's, particulars of claim, defence statement) when filling out my claim form.
