Overall i have been around customers all my life which has made me comfortable with working in stores and public places. Overtime i have also built on working as a cashier, shelf stacker, fast food assistant and a-few others. When it comes to working I am very welcoming and friendly making sure customers are satisfied with the service they receive.

Work Experience

Store Assistant

Premier Foods - Blackburn

Present

I am 17 years old i have 2 years experience of working in stores so working at tills, stocking up shelves and stock control i am very familiar with. Overtime from working i have realised it's a must to keep everything around me clear and tidy so customers are happy, also making sure customers feel welcomed is ideal as they will then feel comfortable and want to visit there again

Fast Food Assistant

I've worked at many takeaway/desert shops in my past. I have a good amount of experience and i'm very comfortable in that environment.
