Personal Profile

I am an enthusiastic person who enjoys challenges and continued professional development. I am organised, adaptable and my attention to detail and excellent time management skills mean that every task is completed efficiently to the highest possible standard. I have a calm and patient approach which enables me to work effectively under pressure. I enjoy working in a team but also work well independently using my own initiative. I am an excellent communicator and work well with people at all levels with a helpful and friendly approach. I am willing to learn new skills to increase my knowledge, experience and abilities.

Objective

I want to expand my knowledge in administration using my skills and experience while ensuring maximum productivity.
