I am a highly motivated individual with Line Management and Leadership experience who likes to motivate and lead a team to success. I feel that I am a strong leader and a true team player, as I offer advice and guidance to help my team and the business to develop. I am highly focused and skilled in Customer Service Delivery. I feel I am very good with people development, communication and coaching as I use a range of different techniques to best suit each individual. I like my team to see me do the job first-hand! I am an excellent communicator at all levels, a natural leader and decision maker happy to take on any challenge and muck in with any task thrown my way. I thrive in any environment, and I can work to strict deadlines, and SLA's and I always strive to ensure I achieve and deliver on targets. I am wanting to develop within a business and push myself to the next level of management.

Customer Service Team Leader / Credit Control and Finance

Telsolve Ltd - Telford

November 2019 to August 2022

Key Achievements

- Was chosen to create a credit control process to manage the debt of the business and recover any outstanding debts. I was able to negotiate payoffs and deadlines for payment plans. Creating letters which needed to be sent to customers in financial difficulties and offer solutions. I had a pool of customers which I was working with daily. The rate of customers successfully paying was doubled when my process was implemented due to the communication between me and the customers.
- Contacting all customers who left a 1-star review on our Trustpilot page, giving the opportunity to rectify the issues the customers were facing and turning the negative into a positive. I also won three competitions within the business by getting the most Trustpilot reviews within a month. Please see link and type in my name in the search: <https://uk.trustpilot.com/review/www.telsolve.co.uk>

Role/Responsible for:

- Trustpilot responses
- Inputting billing
- 1-2-1 reviews with my team of 8
- Setting KPI's and creating performance plans in accordance with my team
- Complying to SLA's
- Return to works
- Delegating tasks in order of priority for the day
- Excel reports for business needs
- Organising and thoroughly checking all paperwork and data entry onto a CRM system
- Creating purchase orders
- Creating customers on the inform billing platform to ensure all billing costs were built into their invoices.
- Responsible for sending and creating invoices.
- Processing the bill run every month and charging customers via GoCardless.
- Processing changes of ownerships, submitting credit checks
- Responding to emails in a timely effective manner

Engie - Blackpool

April 2017 to October 2019

Blackpool, Lancashire (Redundancy)

Engie is a leading service business in the UK across public, private, and healthcare sectors.

Position:

Team Manager

Key Achievements

- Was chosen to lead a project designed to introduce Dragon Voice Recognition into the Service Centre. Working with Account Director set up a Hub Office in Telford and was then responsible for the recruitment and training of staff. Ran the office and the project for three months and identified a 30% saving in transcription time for the business.
- Nominated for and then selected for ENGIE Aspiring Leaders Programme. This was a two-year development course that includes the completion of a Level 3 CMI Apprenticeship in Management. Only 12 staff were selected out of a pool of over 300 who were nominated.

Role/Responsible for:

- Line Management responsibility for up to 20 Transcription Agents
- Complete 1-2-1 reviews with all staff monthly focused on their well-being and performance. Create Performance Plans to eradicate any under-performance.
- Undertake one Quality Assessment per team member per month. Feedback findings promptly and highlight any areas of concern and how I can help them achieve targets.
- Using the Absence Policy as a guide pro-actively manage the absence on the team. Ensure care calls are completed daily, Return to Work interviews are completed on the day of return and referrals for Absence Reviews are escalated to Account Manager where appropriate.
- When requested, hold Disciplinary and Grievance Hearings. If appropriate issue warning up to and including Final Written Warnings.
- Ensure that all Health & Safety and Information Security policies are always followed by all staff. Escalate any issues to Sheq or Information Security Managers.
- Helping my team ensure we were meeting deadlines and KPI's.
- Typing transcripts, myself when we were falling behind SLA's.
