## EDUCATION

### **BA (Hons) Urban Planning**

Newcastle University

Newcastle-upon-Tyne / 2017

## PROFILE

Town Planning Consultant / Planning Project Co-ordinator with expertise managing the submission of planning applications and appeals. Proficient in report writing and the co-ordination of project teams to meet critical deadlines.

After a productive five years in my previous company and an extended travel break, I am keen to explore a new direction in my career.

## EXPERIENCE

### **Town Planning Consultant / Planning Project Co-ordinator**

De Pol Associates / Preston / 2020 - 2023

Responsible for project management of the submission of planning applications and appeals. Proven record of successful campaigns leading to the granting of planning approval.

#### Key Accomplishments:

- Achieved an 81% approval rate for planning applications, including housing, caravan parks, hotels, gyms and retail outlets across the UK.
- Managed teams and co-ordinated with specialised consultants, meeting 100% of deadline targets for the submission of planning applications and appeals.
- Demonstrated expertise in interpreting planning legislation, with 80+ detailed planning statements authored.
- Cultivated strong client relationships, consistently managing and meeting expectations through effective communication.
- Conducted 50+ on-site visits and assessments.

### **Bar Supervisor / Manager**

Primary / Manchester / 2022 - 2023 (Part-Time)

- Supervision and management of up to 20 staff on bars at music events and festivals across the North West.

### **Junior Planning Assistant**

De Pol Associates / Preston / 2018 - 2020

- Preparation and submission of planning applications and appeals.
- Authored 25+ planning statements.
- Research based support to senior team members.
- Diligent monitoring and management of planning applications post submission resulting in 15% faster response times to LPA objections.
- Administrative based office duties.

### **Snooker Table Fitter & Warehouse Operative**

Fcsnooker / Preston / 2017 - 2018

- Delivery, installation and collection of snooker and pool tables through the UK.
- Production and machining of a myriad of wooden snooker table products.
- Updating of company website, editing and optimising images for use on website and undertaking basic search engine optimisation to increase traffic to the company web presence.
- Face to face sales.
- Customer liaison and order processing.
