LEGAL EXPERIENCE

July'2022

Legal Cheek/University of Law Virtual Summer Vacation Scheme (1 week)

- Energy law: Ben Stansfield, the partner at Gowling WLG, talked about the sustainable solutions to the present climate crises with respect to the development of law.
- Commercial law: Sessions related to Commercial Awareness and Understanding of Commercial Legal Market with Alex Aldridge and Paul Maddock, respectively, provided a broader view of the subject of commercial market and awareness.
- Dispute resolution: This session with Sarah McAtominen (Partner at Bryan Cave Leighton Paisner) and Daniel Thorpe (Barrister at Redcliff Chambers) provided a broader view of the Dispute Resolution area. Daniel Thorpe also said that he only takes matters of a minimum value of 5 million USD and deals in Aviation matters under Dispute resolution.

Oct'18 - Sept'21

Himgiri Public School (Compliance Intern)

- I reviewed and analysed relevant laws, regulations, and guidelines set by the CBSE to ensure that the school's policies and procedures are in line with legal requirements.
- Under the guidance of senior staff, I contributed to the development and implementation of school policies regarding admissions, student conduct, employee conduct, safety protocols, and other areas.
- I conducted extensive research on legal issues that impact educational institutions, including labor laws, child protection laws, data privacy regulations, and other statutes.
- I assisted in reviewing and negotiating contracts with vendors, service providers, and third parties to ensure compliance with legal requirements and protect the school's interests.
- I provided support in investigating complaints and allegations of misconduct or non-compliance, gathering relevant evidence and assisting in resolving conflicts.

- I actively participated in preparing and maintaining records related to legal compliance efforts, including documenting policies, training sessions, investigations, and compliance audits.
 - I provided assistance to the legal and compliance department by performing administrative tasks such as drafting letters, arranging paperwork, and coordinating meetings.
 - I worked in close collaboration with other departments in the school to guarantee adherence to legal and regulatory requirements in different operational aspects.

Jul - Aug'21

Law Linker's and Co., Delhi (Legal Intern/one month)

- Working with Advocate Deepak Dhingra, I drafted legal notices related to the recovery of money.
 - Researched on Arbitration and Contract law for both civil and white-collar criminal matters.
 - In Arbitration case: Assisted in preparing questionaries on behalf of a client who is the major manufacturer of food and beverages in the nation, the case was against the government where the value of claim was around 3-4 billions INR.
 - Possession of property case: the opposite party transferred the property to my client on papers, but the possession is still not given; I prepared a notice for the handover of possession of the property to my client.
 - In theft cases, we filed the petition for punishment and recovery of the theft items. I also had the opportunity to observe the drafting and filing of the bail application at court on a murder case.

Feb-Mar'21

Tripaksha Litigation, Delhi (Legal Intern/one month)

- Attended court in person and remotely via Video Conferencing during the pandemic, primarily in family law.
 - Worked on a divorce case, acting for the client where both parties had mutually agreed upon divorce
 - I worked on matrimonial cases related to child custody, gift possession, and alimony for the wife. I helped my client and drafted applications that included details of the gifts and requested alimony from the other party.
 - Worked to disprove the allegations against our client by researching on provisions of law and finding case laws for it.
 - Drafted the MoU in matters of mutual divorce.
 - I helped clients, taking notes on the legal issues and preparing them for hearings in front of judges.
 - As part of the administration team, I served as the initial point of contact for clients who had concerns or disputes related to their case.

Sep-Nov'20

Ministry of Corporate Affairs, NCT of Delhi and Haryana (Pro-bono Intern)

- Gained a broad exposure to Company Law at the Ministry of Corporate (Registrar of Companies)
 - In the Drafting/Research Team, I drafted and vetted petitions and counter-affidavits for the High Court and District Court cases, working mainly on Serious Fraud cases against companies.
 - Researched serious fraud cases and learnt which companies fall under the Serious Fraud criteria and how the department takes action and investigates the matter.
 - Worked with an Investigation officer, I have worked on the data analysis part, which is crucial evidence for drawing the company to the court.
 - Drafted petitions for compliance-related matters and against companies that are fraudulently evading the penalties.

May-June'19

Chambers of Advocate Ishwar Sangwan, District Court, Gurugram (Intern)

- Learned about courtroom proceedings, presenting a case to a judge, providing evidence, and analysing bail-related cases.
 - Learnt basics of drafting legal documents such as notice of recovery of money and application for the delay in providing evidence.
 - The internship was focused on criminal matters, related to bail applications or new cases filed.

June-Aug'19

Indian Society for Legal Research (Legal Researcher)

- ISLR is a research organization that deals with social issues and offers data on legal and social matters.
 - Conducting research on Election procedures, societal Equality, Environmental issues, and analysing Government policies.
 - Simplified and made understandable the complex procedure and policies for laymen by providing background information.

Other Jobs and Achievements
