I am an experienced post-production editor with 2 years of industry experience. I have a passion for TV production and have worked on several projects that have been well-received by audiences. My expertise lies in editing raw footage, mixing sound, and adding visual effects. I am skilled in using industry-standard software such as Adobe Premiere Pro, Final Cut Pro, and Avid Media Composer. I am a creative problem-solver with a keen eye for detail. I am seeking a challenging role in post-production editing or TV production.

### **Education**

2018-2021 BA Hons Film and TV Production - Manchester Metropolitan University - Second Class Honors (2.2)  
2018 -2017 Foundation, Art and Design - Blackburn College – Pass

### **Employment History**

#### **Jan 2022-2023 Sound Technician and Editor – Pixelyed Pictures (High End TV Production Company)**

Employed as a general sound technician, regularly using high-end sound and camera equipment in a professional environment with strict timings to maintain efficiency. Additionally, I took on extra roles in editing to help with post-production and organizing logistics concerning data storage, both on-site and remote.

- Involved created an advert for a multi-national company involved cutting raw footage, assembling footage and adding music.
