## ENTREPRENEURSHIP

### Els Bels Nails

2022 - Present

In 2022, a small nail business was established, initially serving friends and family. Rapid skill development led to the creation of an Instagram page, attracting clients aged 16-25. A competitive price list was set up to undercut local salons and appeal to students.

Targeted marketing using graphics, hashtags, and captions resulted in invitations to prestigious events hosted by leading UK brands, attended by nail technicians nationwide.
