PROFILE

I have 4 years of experience in SEO and SEM. My main responsibilities were to handle the website and capture traffic using OnPage SEO, OffPage SEO, Technical SEO, and reporting to do site audits weekly and monthly. I am well-known in all kinds of SEO such as local, national, and international SEO. I have done different localized projects for different companies. My other responsibilities were to handle and train the SEO team. Making strategies to get traffic and Preparing weekly and monthly reports also was included in my responsibilities.
