WORK EXPERIENCE – Full Time

Investment Mgmt. Trainee (Summer Bootcamp), Amplify Me, Manchester, UK	Jun 2023
➤ Developed a diversified portfolio investing in 4+ asset classes while minimising risk.	
➤ Strategically managed a fictitious £20 million portfolio over a 12-month simulation, implementing a rebalancing strategy, achieving a 90% performance score by outperforming the benchmark - top 5 out of 80 participants.	
➤ Adjusted portfolio allocations based on ESG-related news updates, mitigating risk and reducing portfolio volatility by 20% compared to industry benchmarks.	
➤ Executed trading strategies in a simulated market environment, resulting in a 12% increase in overall portfolio value over 1 week.	
➤ Acquired robust financial modelling skills to analyse complex financial data, enhancing decision-making abilities.	
Audit & Tax Trainee, K P Rao & Co., Chartered Accountants, Bangalore, India	Aug 2019 - Aug 2022
Demonstrated a solution-driven approach and exceptional collaboration and communication skills while engaging with clients across sectors.	
• Exide Life Insurance Company Limited (Now a subsidiary of HDFC Life - Listed on the Indian Stock Exchange)	
➤ Led the audit engagement team as the Team Lead for 18 months.	
➤ Led the planning, preparation and delivery of audit reports as per IRDAI regulations, Ind AS and International Financial Reporting Standards (IFRS).	
➤ Advised on statutory compliances and tax issues, leading to better compliance.	
➤ Proficient in synthesizing audit findings for stakeholders, articulating root causes and associated risks to enable thorough understanding and proactive risk management.	
➤ Created a full audit trail, including meticulous documentation of 45+ areas to meet statutory regulations.	
➤ Performed Internal Financial Control Testing and Risk Assessment, providing actionable and insightful recommendations aimed at optimising workflows, mitigating risks and enhancing internal controls.	
➤ Identified discrepancies in payroll data for 100+ employees and developed remediation plans to prevent recurrence.	
➤ Identified equalisation levy non-compliance and ensured adherence to statutory requirements.	
➤ Verified compliance with statutory requirements and improved process efficiency and effectiveness by developing a tailored audit plan & system analysis, leading to successful statutory compliance as per IRDAI.	
➤ Prepared compliance certificates such as Lendor-Borrower, Expenses of Management, Investment and BAP.	
➤ Responded to the group audit questionnaires issued by EY and Deloitte.	
➤ Gained an in-depth understanding of the insurance sector and worked on 10+ areas, including investments, commissions, premiums, litigations, and contingent liabilities.	
• Other Clients	
➤ Optimised accounting processes for 3 clients, resulting in a 50% reduction in time spent on manual tracking and a 75% decrease in errors.	
➤ Provided Accounting and Assurance services to start-ups and mid-sized institutions and maintained their books of accounts.	
➤ Undertook consolidation of related entities and maintained the financials as per the regulatory framework.	

WORK EXPERIENCE – Part Time

Safety Steward, Manchester City Football Club, Manchester, UK	Nov 2022 - Present
➤ Demonstrated exceptional communication skills by interacting with a diverse range of individuals, including fans, colleagues, and supervisors, ensuring clear and concise communication at all times.	
➤ Developed strong problem-solving abilities through the proactive management of safety incidents and crowd control during high-pressure situations, showcasing the capability to analyse complex issues and implement solutions.	
➤ Exercised acute attention to detail while conducting bag searches, enforcing security measures, maintaining meticulous records, and ensuring compliance with established protocols.	
➤ Provided outstanding customer service to spectators, fostering positive relationships and enhancing the overall experience, translating into valuable skills for client-facing roles in finance.	
➤ Exhibited leadership qualities by mentoring newly employed stewards during their induction process, demonstrating the capacity to inspire and guide team members towards shared objectives.	
➤ Thrived in high-stress environments, maintaining composure and decisiveness during emergencies, highlighting the ability to work under pressure.	
➤ Collaborated with colleagues and supervisors to share critical information and coordinate responses during safety incidents, underscoring a strong sense of teamwork and collaboration
