## SKILLS

- Multi-tasking - I'm able to work in a fast-paced environment and have the ability to manage various tasks, often at the same time.
- effective people management skills and good team building skills
- being thorough and accurate in all record-keeping and documentation
- able to distinguish when to act on my initiative and when to offer additional advice and guidance.
- skilled in the operation of a two way radio communication system
- knowledge of emergency procedures and methods
- dealing with incidents of verbal abuse and threatening behaviour in a professional manner

A licensed SIA security guard that is focused on improving facility security through a vigilant approach and a sense of personal responsibility. I am capable of actively monitoring my surroundings to keep employees and facilities safe. upholds high ethical standards and is always honest with supervisors, employees and customers at all times. I Have strong leadership skills desiring a position in safety and security management in a team-oriented environment. I am a very dedicated security guard that is also willing to work scheduled overtime. I am a very confident individual and as I am multi-lingual I can communicate with people from different backgrounds. I can communicate with people no matter the age group as I have a friendly manner and a strong drive to help people. As a security guard, my main aim is the safety of the people around me and I tend to do this by accurately following all my training.

## EXPERIENCE

### Security Guard *The railway pub*, bury, manchester

- Monitored access control systems, including CCTV systems for nefarious activities such as theft and vandalism.
- Maintained stamina during long periods of sitting, walking, standing or driving while remaining focused and vigilant.
- Administered first aid to members of public or employees injured within assigned premises.
- Prepared incident reports, security logs and other documentation to provide written support or convey information.
- By ensuring a prompt response to emergencies and escorting individuals off the premises, I was able to create a safe and comfortable environment for myself .employers and customers.

### Security Door Supervisor *bar*, bury, manchester

- Responsible for maintaining building security by preserving an on-site presence, conducting routine patrols, and carrying out inside and outside security checks. Patrolling assigned areas to protect visitors, property, and equipment.
- inspecting the contents of packages to ensure that only authorised items are removed.
- Completing administrative reports accurately, accurately recording observations, information, occurrences, and surveillance activities, and precisely noting unusual occurrences.
- Problems were triaged quickly, with clear and precise information provided while working under minimal supervision.
- Employees, visitors, and other individuals were monitored and authorised to enter and exit by verifying identification and controlling entry and exit points.

### Security Guard *stadium*, manchester, old trafford

- greet guests upon arrival and exiting the stadium
- check tickets at front in aisles for placement verification of seating
- escorts guests to and from the stadium and keeps the crowd under control.
- Magnetometer machines and other devices are used to screen

people entering the stadium in order to collect and retain unauthorised firearms and other contraband.

**Security Guard *urmston library*, Urmston, Manchester**

- Checked passes and credentials of person seeking to enter property and issued passes for guests.
  - Monitored CCTV cameras, and fire and alarm systems.
  - Used exceptional communication and relationship-building abilities to develop positive, friendly, welcoming library environment.
  - Followed established security and safety procedures and posted orders to enforce company rules, policies and regulations.
